

Welcome

The Masonic Village at Elizabethtown invites and encourages community members and residents to participate in our Volunteer Services Department.

Through unpurchased and unhurried time and selfless energy, volunteers further the holistic concept of caring for our residents. They enhance the professional staff as they provide assistance and support for services which directly benefit our residents.

Thank you for your interest in our Volunteer Services opportunities. We hope you will join us in furthering our Mission of Love.

The Masonic Village is a smoke-free community.

Masonic Village Elizabethtown

Our Volunteers

The Masonic Village's volunteers represent many walks of life: women, men and youth from our communities, as well as residents at the Masonic Village, who care and want to make a meaningful difference in the comfort and happiness of our residents' lives.

Benefits of Volunteering

Volunteer service at the Masonic Village provides opportunities to make new friends, learn different skills and develop new interests. Volunteers also experience the rewarding satisfaction that comes from helping others. We look forward to having you join our program and hope you will find the experience rewarding, enjoyable and memorable.

Opportunities

Through a personal interview, we ask prospective volunteers to share their motivation for volunteering, time commitment, interests, abilities and skills. We make every effort to assign volunteers to an area which meets their interests and the needs of the Masonic Village. We request a three-hour to four-hour, once-a-week commitment from our volunteers.

Some areas where volunteers serve:

Resident Care Neighborhoods

- Freshening ice pitchers
- Escorting residents to and from in-house activities and appointments
- Delivering mail

Recreation Services

- Assisting with creative arts, ceramics, socials and music therapy
- Assisting with special events and programs

Resident Visitation

- Providing socialization and reminiscence opportunities
- Writing/reading letters and notes
- Escorting residents on walks, to the gift shop or to the library

Ancillary Services

- Escorting residents to and from appointments in the hair salon, rehabilitation services, podiatry and other clinics

Weekend Opportunities

- Assisting with Saturday activities
- Escorting residents to and from church on Sunday afternoons

Gift Shop

- Serving as sales attendants

Summer Youth Volunteer Program

The Masonic Village welcomes interested teens, ages 13 and older by July 1, to join the Volunteer Services Department for the summer. We require teens to schedule an interview in late April, May or early June; to attend a full-day orientation; and to commit to volunteering at least one half-day per week. Choosing from a variety of volunteer opportunities, youth make new friends, gain experience in a healthcare environment, learn about healthcare professions and feel satisfaction in enhancing the lives of our residents.

Lodges, Chapters and Youth Groups

Throughout the year, Masonic lodges, Eastern Star chapters, Masonic youth groups and others assist our residents either on a regular basis, as a group service project or during special events. For more information about how your group can help, please call the Volunteer Services Department.
